Gentlemen,

Regarding the draft final MOUs, Yerington Paiute Chairman Laurie Thom and her environmental director are planning to meet with us on Thursday, January 25. Enrique is reaching out to Walker River Chairman Torres to determine if the tribe wishes to meet, and if so, concurrent with the YP meeting, or at another time.

As we finalize the EPA/ARC-BP agreement re past costs, Sylvia advises that both parties sign the agreement before it is published in the Federal Register for a 30-day public comment. We continue to proceed toward finalizing/signing everything in midFebruary even as the comment period would extend thereafter.

Kind regards,

Alexis
